

Modular Program

New drivers-ed concept for busy teens.

Independent Self-Scheduled Program that you control!

- Students will enroll in the Modular Program.
- They will then choose a start date... (students must be 15 years old by first day of class in Modular program)
- All Modular Programs consist of 15 2-hour classes that you pick for yourself.
- You must attend all 15 classes in order.
For example: You will not be allowed to schedule Lesson 5 until Lessons 1-4 have been completed.
- Enroll for class #1, and each time you attend class, the instructor will take attendance.
As soon as that is complete, you will be able to register for lesson #2, and so on and so forth.
You will continue to register for classes, in order, until you have attended all 15 Lessons.
- **YOU MUST REGISTER FOR A SEAT!** Do NOT come to class unless you are registered as we may not have a space available for you.
- Feel free to come to as many classes per week as you can.... but only one class per day.
